A photograph of a snowy outdoor enclosure. In the foreground, a wire mesh fence runs across the frame. Behind the fence, a wooden building with a snow-covered roof is visible. A reindeer head with large, snow-laden antlers is mounted on the fence. Several dogs are visible in the enclosure: one is sitting on a wooden platform, another is standing near the fence, and a third is partially visible in the background. The ground is covered in snow, and the sky is overcast.
