A photograph showing a light-colored dog with dark patches walking in a fenced-in area. The dog is seen through a chain-link fence. In the background, there is a wooden building with vertical siding. On the wall, there is a large wooden wheel, a mounted animal head with antlers, and a blue decorative object. A wooden door is visible on the right side of the building. A window with a white frame is on the left. A hanging basket with red flowers is in the top left corner. The text "RAV 15.8.21" is overlaid in the center of the image.
