
A photograph of a snowy landscape. In the foreground, there is a path or a series of tracks in the snow, leading towards the background. To the right, a wooden fence is partially visible, covered in snow. The background shows more snow-covered ground and some bare trees or bushes. The overall scene is a winter scene with a fresh snowfall.

**Tror jeg har hatt besøk  
av rødrev som har «snoret» her  
natt til 1.12.23**

A photograph of a snowy landscape. In the foreground, a series of animal tracks are visible in the snow, leading from the bottom center towards the middle ground. The snow is bright white. In the background, there are several bare trees with dark branches against a pale sky. The overall scene is a winter setting.

**Forskjellige spor i snøen  
i dag. Så flere rådyrspor  
der de har sine faste  
overganger - et var  
mye større enn de  
andre**

**Tror dette er  
spor fra rødrev.  
Har jo sett en  
flott rødrev her  
flere ganger**
